nfpSynergy is a specialist research consultancy for non-profit organisations.

We undertake an extensive range of research work for non-profits including:

- stakeholder audits
- impact evaluation
- marketing and communications testing
- satisfaction surveys
- analysis to inform organisational and strategic planning

Our housing and public sector clients include the National Housing Federation, Trafford Housing Trust, the Audit Commission, Skills for Health, and Ofsted. Our charity clients include Age Concern, the NSPCC, Barnardo's, Mencap, and Shelter.

To talk about how we can help your organisation, please call Jennifer Shea on **020 7426 8888** or e-mail us at **housing@nfpsynergy.net**. To learn more about our services or download the reports we publish free of charge to the non-profit sector, visit us at **www.nfpsynergy.net**
